[DAIKIN×@aroma] Collaboration Project

@aroma designed and developed aroma goods for air conditioners in collaboration with DAIKIN, a global manufacturer of air conditioners. DAIKIN x @aroma collaborative original aroma gift campaign will be available until October 31st.

Creating a space that pleases the five senses

We actualize the creation of a space that pleases five senses by adding the comfort of @aroma's natural scents to the cooling and warming function of DAIKIN's air conditioner. Enjoy a cozy "scented space", a lifestyle with delightful aroma.

[Gift Campaign Summary]

By purchasing a DAIKIN room air conditioner "risora" and registering at the "CLUB DAIKIN", customers are eligible for a free DAIKIN original Aroma Attachment and Original Aroma.

DAIKIN original aroma information

■Aroma diffuser for air conditioner

DAIKIN original "Aroma Attachment"

Aroma diffuser for the air conditioner that diffuses the scent, developed to be used with the flap of the room air conditioner "risora". Put a few drops of aroma oil onto the diffuser's surface and attach it to the air conditioner's flap, the wind will gently spread the scent throughout the room to create a cozy atmosphere.

■100% pure essential oil blend

DAIKIN Original Aroma "AIR COMFORT"

Original scent developed as the first aroma that accents the space with "risora". A cheerful and soft scent that comes from relaxing Lavender, Orange, and Bergamot, with refreshing Eucalyptus and White Cypress. Begin your first experience of natural scent's delight from this aroma. Ingredients: Lavender, Orange, Bergamot, White Cypress, Eucalyptus, etc.
